## Frontend Developer

---

### Angular | Typescript | Responsive Web Design

A dedicated frontend developer with a strong foundation in technologies such as HTML5, CSS3, Bootstrap, SCSS, JavaScript, Typescript, Angular. With hands-on experience in tools such as Firebase, Postman, Python, and C, I have expertise in building responsive and user-friendly web applications. As a participant in the Digital Egypt Pioneers Initiative (DEPI), supervised by Next Academy, I gained advanced UI skills over the course of six months, enabling me to solve complex development challenges. Currently, I am completing my final year at E-G Academy for Computers and Information in Tanta, and I am passionate about utilizing my skills to enhance user experiences and deliver high-quality web solution

## WORK EXPERIENCE

---

**Digital Egypt Pioneers Initiative (DEPI) – Egypt, / studied remotely** [6 Months in 2024]

### Frontend Developer

I participated in a government-led initiative focused on advanced Frontend development, involving practical tasks and team-based projects.

- Led a team in designing and developing **HERFA**, an e-commerce platform for handmade crafts, utilizing technologies like **Angular**, **Material UI**, and **Firebase**.
- Oversaw the full lifecycle of the project, from planning and design to implementation and final delivery.
- Integrated secure user authentication and efficient database solutions using **Firebase**, ensuring a seamless user experience.
- Enhanced team collaboration and productivity through task delegation, progress tracking, and effective communication.

**Independent Projects - Egypt,** [2 Months in 2024]

### Frontend Developer

Worked independently to strengthen Frontend development skills and explore advanced technical features.

- Built responsive and dynamic web applications, focusing on performance optimization and user experience.
- Developed and tested reusable components using **Angular**, **SCSS**, and **Typescript** to streamline development processes.
- Conducted hands-on exploration of new tools and technologies, such as **Postman**, to enhance project efficiency and functionality.

## EDUCATION

---

E-G Academy of Computers and Information and Technology Management - *[Tanta]*

**Bachelor's Degree (In Progress)** – Information Systems, Expected Graduation: 2024

## PROFESSIONAL SKILLS

---

- **Frontend Development:** HTML5, CSS3, SCSS, Bootstrap, JavaScript, Typescript, Angular, Material UI.
- **Version Control:** Git, GitHub.
- **Testing:** Manual Testing, Debugging, Performance Testing.
- **Web Standards:** ECMAScript.
- **Tools & Technologies:** Firebase, Postman, SQLite.
- **Programming Languages:** Python, C.
- **Soft Skills:** Problem-Solving, Communication, Time Management, Adaptability.

## PROFESSIONAL MEMBERSHIPS

---

- **Digital Egypt Pioneers Initiative (DEPI)** – Participant, (2024)  
Member of an elite program focused on digital skills development, hosted by the Ministry of Communications and Information Technology (MCIT), Egypt.
- **Next Academy Alumni Network** – Member, (2024)  
Part of a professional community of tech enthusiasts and developers, fostering innovation and collaboration in technology.
